The McMaster University Medical Journal welcomes original articles written by health care students, residents, and faculty.

The following sections are featured in MUMJ:

- Clinical Review
- Clinical Research
- Case Reports
- Evidence-Based Medicine
- Ethical & Legal Issues of Medicine
- Health Advocacy
- Health Psychology
- History of Medicine
- International Health
- Literature, the Arts & Medicine
- Medical Careers
- Medical Education
- Medical Ethics
- Medical Technology
- Public Health & Public Health

Through the inclusion of a wide array of articles, MUMJ aims to provide a thoughtful blend of the academic and social issues in medicine.
